

GAP INC.

Rotational Management Program *frequently* asked questions.

How to apply?

Search and apply for Rotational Management Program on the Gap Inc. career site.

What happens after I apply?

Once your profile has been submitted, a member of our early talent recruiting team will review your experience and contact you if your profile corresponds with our requirements.

What are the top traits you look for in a potential candidate?

We seek candidates who are not only passionate about retail but also exhibit curiosity, and an entrepreneurial mindset. We value individuals who are eager to learn and bring diverse perspectives to help drive our success.

What information should I include in my resume?

We want to hear all about your accomplishments, strengths, and previous achievements. Feel free to include any projects as attachments to give us a better sense of your style.

How can I prepare for my Interview?

Review the job description and visit our careers website to learn more about Gap Inc. The first-round interview will focus on behavioral questions, so be prepared with examples that showcase your strengths. During this interview, we'll ask you to share personal experiences that highlight your accomplishments and the challenges you've faced. Your responses will help us gain a deeper understanding of the skills you possess that can contribute to your success at Gap Inc.

What if I need a visa?

This role is not eligible for visa sponsorship.

What is my application status?

During each step in the interview process, we will keep you informed regarding next steps. Monitor the email you used when you applied. Following an assessment or interview we will send you updates on next steps within 7 business days. Don't forget to check junk folders.
