Comp sales include the results of Company-operated stores and sales through online channels. The calculation of Gap Inc. Comp sales includes the results of Athleta, Hill City, Janie and Jack, and Intermix but excludes the results of the franchise business. A store is included in the Comp sales calculations when it has been open and operated by Gap Inc. for at least one year and the selling square footage has not changed by 15 percent or more within the past year.

¹ As a result of the extensive temporary store closures during the first quarter of fiscal year 2020 due to the COVID-19 pandemic, comparable sales are not a meaningful metric for the first quarter and first half of fiscal year 2020.
