ANIMAL WELFARE AT GAP INC.

We're fur-free: Athleta, Banana Republic, Gap and Old Navy prohibit the use of fur in our products.

Gap Inc. is deeply committed to the ethical sourcing of our product, which includes the humane treatment of animals.

- Athleta, Banana Republic, Gap and Old Navy have an Animal Welfare Policy that outlines our expectation that all of our suppliers make our products in an ethical and responsible way, and requires suppliers to use only skins, down and feathers that come from animals bred for food.
- In addition: Athleta, Banana Republic, Gap and Old Navy: do not use angora and will phase out of the use of mohair by Spring 2019; oppose mulesing and are phasing out the use of mulesed wool; prohibit feathers and down plucked from live birds; and do not allow animal testing of our personal care products or their ingredients.
